Youngstown, OH - Elton John is to appear live in Youngstown in May for the first time in his storied career. This marks the Rock and Roll Hall of Fame inductee's debut performance in Youngstown. The concert will take place on Saturday, May 1, 2010, 8PM at The Covelli Centre. Elton and his band will perform their 'Rocket Man –the Greatest Hits Live' concert, featuring number one chart hits and classic album tracks from throughout Elton's incredible five-decade career.

Elton's band comprises Davey Johnstone on guitar, Bob Birch on bass, John Mahon on percussion, Nigel Olsson on drums and Kim Bullard on keyboards. Eric Ryan, General Manager of The Covelli Centre said "Words escape me to describe what it means to have an artist such as Elton John performing at The Covelli Centre. His artistry has transcended many generations, and it is our honor and privilege to host the first ever Elton John concert in Youngstown this coming May. He is an international icon that has played the largest and most prestigious venues in the world and this show will be a history-making event for our community."
